

"There's an empty space on the lot"

We miss you!

Perhaps you attended our Gathering on a Saturday or took a ride with us, either way we want you to know that *we missed seeing you* at some of our recent events.

Can I ask that you give me a call or drop me an email and let me know if there is something we did to make you not come back to visit with us again?

Your feedback *and* friendship is very important to us at PA Chapter B.

If everything is ok and you just got busy, I'd still love to hear from you!
